FUSTAR YOUTH LEAGUE

A Nigerian Youth FA initiative, for boys and girls in primary & secondary school designed to establish a participation structure and continuum from school to grassroots community to pro Academy football with verifiable profiles.

It provides a platform and a pathway for youth players to develop and showcase their talent through regular competition from October to April.

League matches will be officiated by young people who will also be involved in broadcasting & media. They will take up leadership roles in the regulation and governance through membership of the National League Executive Board.

SPORTEDU+

Education & learning programme creating pathways to careers in the sports industry for young people consisting of:

(a) blended vocational accreditations such as emergency first aid, safeguarding, health & safety, Media & English FA coach & referee awards

Learners will have access to real-world industry experience as part of the curriculum, including professional coaching and personal development opportunities.

(b) employment through part-time and full-time roles on our international academy and community hubs for those who have successfully completed an award.

PLAYER DEVELOPMENT CAMP

Provides professional academy experience for young players who join others from around the globe for a 10-day residential development camp in the UK hosted by Southampton FC.

Players are coached the "Southampton Way" using modern training methods. They will gain an insight into nutrition, formations lifestyle management, transitional play, and phases of play.

They will watch live first team matches and play and experience the intensity of a one-day tournament as well as matches against semi/pro teams appropriate to their ability level, for an opportunity to be scouted.

Their performance is analysed by SFC staff. They are then benchmarked against Academy players of similar ages.

Students pay a core cost to attend. An adult is required to accompany the players as chaperones on a 1:10 ratio. The adult gets a free place for every 15 players enrolled.

UK EDUCATION SCHEME

A scheme providing opportunities for students to pursue post-16 education in the UK at prestigious football schools. Gifted players can gain half- or full-time scholarships following a comprehensive assessment.

Students combine daily football with education at Key state 3, GCSE A level and University Foundation Programmes. They will play competitive fixtures with schools, colleges, and professional clubs.

Exceptionally gifted and talented players can also develop their professional football career with partner clubs in Europe, Southampton FC, Coventry FC or Charlton FC through an Elite U23 professional Football Programme.

This opportunity is also open to those who wish to study independently in the UK, for industry qualifications with a pathway to degree programmes with Solent University Southampton and the University of Greenwich London.

FOOTBALL IN THE COMMUNITY

A Community Hub Model powered by Southampton FC bringing football to the doorstep of every young person.

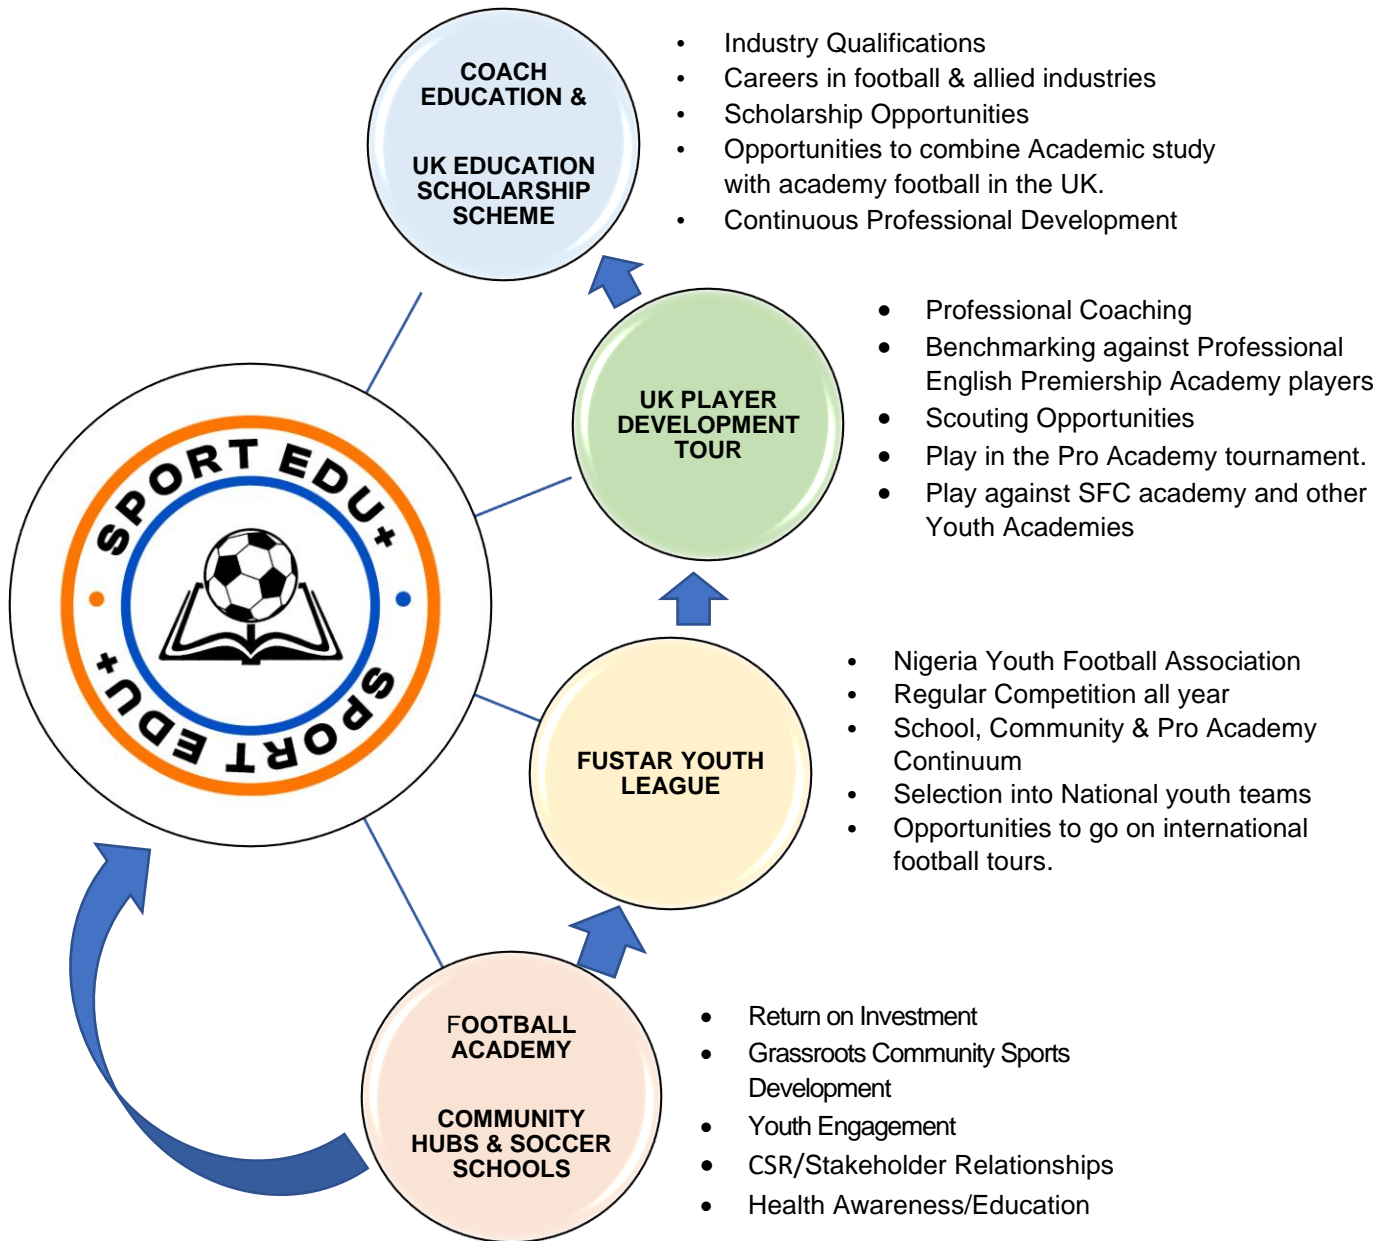

It provides tailored football opportunities after school and at weekends. within the local community, for children aged 6 to 16 years old.

Our Football Hub sessions provide an excellent opportunity for players seeking supplementary training to refine and elevate their skills, alongside their existing involvement with their grassroots club or school or any other training they may receive elsewhere or as beginners.

It is subscription based, and it contains a sponsor a child package where individuals and corporate bodies can sponsor a talented but disadvantaged child to fulfil their potential and realise their dreams.

The sessions are delivered by qualified coaches using session plans developed by Southampton FC
